

The Bavarian Forest Nature Park kindly asks residents and visitors ...

- ... to leave plants where they belong
- ... to respect the need for animals to rest
- ... to maintain the silence of the forest
- ... to stay on the tracks and not take shortcuts
- ... to take litter home
- ... to camp only in designated areas
- ... to use mountainbikes only on suitable tracks and watch out for walkers
- ... to support public transport
- ... to buy local products
- ... to manage the land in a nature friendly way

**Everybody can help to preserve this cultural landscape, rich in diversity
and habitats, for future generations**

ATTENTION!

It is possible to reserve rooms at the local Tourist-department, but not at the Nature Park office.

Reference:

For information about current events, please contact the Nature Park office (Monday to Friday).
